Attention: All Bidders

Dear Sir/Madam,

OAB-TD-4181- Procurement of Meter Box

Clarification No 2

Please find below CEB's reply to a query from a prospective bidder in respect of the abovementioned bidding exercise.

Query 1

Whether meter is needed in this tender? If so, what kind of meter is required in this tender, such as quantities of meter, communication method of meter, etc.?

Reply 1

Please note that Meters are not needed in this tender.

Query 2

As for meter box, shall it be meter box for BS mounted meter or DIN Rail mounted meter?

Reply 2

Please note that Meter Box shall be for BS Mounted Meters.

Query 3

It is mentioned that Stainless Steel Bolts (3 per meter box) shall be delivered separately, thus shall the Stainless Steel Bolts also be quoted?

Reply 3

Please note that the price quoted for the Meter Box shall be inclusive of Stainless Steel Bolts.

Query 4

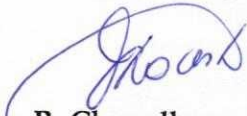

The most important issue is that the Drawing of meter box is not clear enough to figure out the dimension requirement. Is it possible for you to send a clearer one so that our engineer can better evaluate the specification?

Reply 4

Please find attached a copy of the Drawing.
