

Notice to Bidders

Government e-Procurement System

In line with Government's plan towards a fully-fledged digital society requiring increased use of ICT in public administration, public bodies would, by the end of July 2019, carry out public procurement electronically on the Government e-Procurement System (ePS). Consequently the paper based procurement process would gradually be phased out.

The e-PS is live and a growing number of public bodies are already carrying out their procurement proceedings online.

In this respect, Bidders are advised to register at the earliest on the e-PS at the following address:
