Attention All Bidders

Dear Sir/Madam

Re Sensitising Bidders to the Government e-Procurement System in Mauritius

In line with the Government's directive towards a full-fledged digital society, the Central Electricity Board (CEB) would, by the end of July 2019, carry out public procurement electronically.

The e-PS is live and the CEB is already carrying out its procurement proceedings online.

In this respect, Bidders are kindly requested to register on the e-PS at the earliest at the following address failing which bidders shall miss opportunities to bid for the CEB's procurement.
